

Fire Ground Leadership; Rebooting Leadership: From the Station to the Streets

Today's demanding fire ground leaves negligible margin for errors or omissions requiring new skill sets, proficiencies and high accountability and tactical deployments executed with the highest degree of proficiencies and skill sets under the most challenging of operational demands and personnel risks. Leadership starts at the station and transitions to the streets and incident scene requiring new skill sets, awareness, insights and operational adaptiveness. Leadership and Operations are integral and are fundamental to all facets; on and off the fire ground. This high focused and high program will assimilate three key function areas that effect today's emerging and practicing company and command officers and firefighter in the areas of Station Leadership, Training and Preparedness and Operational Leadership on today's evolving fire ground.
