

James Green

Jim Green has worked in health care for 22 years as a clinician, educator and an EMS provider. Currently a full time Flight Paramedic with STAT MedEvac. Jim teaches exactly as he practices, with a passion to help others. He began in health care in 1997 as a Doctor of Chiropractic and shortly after the events of 9/11 transitioned to career in Emergency Medical Services. Jim is committed to continuously developing himself as a critical care paramedic and with his unique experience he enjoys creatively inspiring those around him in EMS as an educator. Jim is also the founder and director of Mission Ready, a program that is dedicated to first responder professional development and promoting excellence in the field.
